The Rat Bastards Car Club at Evergreen Speedway

by S.R. Puvogel

Evergreen Speedway, Monroe Washington– And how dashing the club members are, in their Rat Bastards t-shirts and jackets. The ladies just can't seem to resist a Rat Bastard!

Seriously, The Rat Bastards Car Club has been selected to drive the trophy girls around the track before award presentations, at the Evergreen Speedway. The Western Washington Racing Association puts on races every Sunday afternoon this year.

Lucky club members, will take turns at the track, chauffeuring these lovely trophy girls, every Sunday this race season, except August 31st. Which is of course, the day of The Rat Bastards car show “Infestation 2008” at the Triple X Root Beer Drive-In In Issaquah.
